Resolution A

23. Will the Town adopt the following resolution
 WHEREAS, certain areas of (COMMUNITY) are subject to periodic flooding from (STREAMS, RIVERS, LAKES, OCEANS, ETC.), causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized

flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire RSA Chapter 31, 36, 156, and 156A.

NOW, THEREFORE, BE IT RESOLVED, That this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board of Town Manager or other duly authorized Municipal Officer) with the responsibility, authority, and means to:

- (a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

- (b) Provide such information as the Administrator may request concerning present uses and occupancy of the floodplain.

- (c) Cooperate with Federal, state, and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas, and cooperate with neighboring communities with respect to management of adjoining floodplains in order to prevent aggravation of existing hazards.

- (d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development with implementation of floodplain management measures.

3. Appoints the Building Permit Officer (Board of Selectmen or Building Inspector) to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

Date passed _____

Certification _____

24. To see if the Town will vote to establish the following building regulation pursuant to RSA 156 as follows:

1. The Building Permit Officer (Board of Selectmen or Building Inspector) shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage.

25. To see if the Town will vote to raise and appropriate \$5,000.00 toward the cost of a new Fire Truck and equipment. Furthermore will the Town authorize the Selectmen and Fire Chief, to purchase the same for an amount not to exceed \$48,000.00 to be financed in this manner:

THE CONSERVATION COMMISSION

Strafford, New Hampshire

Mr. Gerald Howe was appointed by the selectmen to serve as a member of the commission. He is replacing Richard Nelson.

1975 was a year of inventory and planning for the Strafford Conservation Commission. Activity of the Town Forest continued as in the past. A group from the town of Farmington who are interested in establishing a forest in that town, toured the Strafford Town Forest with the Conservation Commission.

A fall seeding project at the Bow Lake dam was conducted in conjunction with the Recreation Commission. Spring should show the results of this program with a much improved ground cover to reduce erosion and improve the appearance of the area.

Plans are presently being pursued to establish a picnic and rest area on the McCabe property. This would probably consist of picnic facilities in a shelter to enable year-round use for hikers, skiers, and snowmobilers. A target date for completion has not been set at this time.

The revenues received from the improvement-sanitation cutting of timber were turned over to the selectmen in compliance with the agreement made when funds were appropriated to purchase the timber rights on the Town Forest.

The Conservation Commission reviewed and made recommendations on Dredge and Fill permits.

The Commission is concerned about the acquisition of additional land for the town. This land would be administered and managed by the Conservation Commission. Please call or write to any of the Commission members if you know of someone in Strafford who would be interested in donating land.

Respectfully submitted,

GAIL BARRY

Hill Library offers books, magazines and jigsaw puzzles for circulation. The collection is supplemented by selections from the Bookmobile of the New Hampshire State Library, and request for a specific book not on the library shelves may often be filled through the State Library. Any borrower in good standing may obtain a New Hampshire Statewide Library Card, usable in any participating library in New Hampshire.

Hill Library also serves as repository for a collection of maps and books significant in the history of Strafford. This Historical Collection does not circulate, but is available to the public for use in the library only.

Suggestions are welcomed for books and magazines to be purchased, and for further services that the library might offer.

REPORT OF LIBRARY TRUSTEES

In reviewing the events of the year 1975 we, as trustees, feel that it was a good year and hope that the townspeople have gained through use of the library facilities.

The librarian, Mrs. Sammis, has provided a good selection of material and has been most helpful in many varied areas.

The primary grades from the elementary school made weekly visits.

A wide variety of special programs have been sponsored by the Jane Huckins Memorial Fund.

During the summer vacation a well attended story hour and reading program *Come Share a Book* was organized by the Library Association.

The collection has been extensively increased by both purchases and donations.

We wish to express our thanks to the patrons who have donated their services, memorial gifts and magazines.

In closing, we would welcome any suggestions for continued improvement of the library services.

STRAFFORD LIBRARY ASSOCIATION REPORT 1975

The Strafford Library Association continues to serve the community through its support of the library and its programs. This year a new program was instituted to reach children in the summer months. *Come Share a Book* involved children in grades 1 - 4 in reading, doing, and sharing. Two four-week sessions were run with certificates of participation awarded in special programs at the end of each. Mini-reports were written on each book read; and puppet shows, films, and individual projects were shared on two Saturdays each session. We hope to see more of your children involved this summer, as we feel this is a very valuable program.

Ten story hours for ages 4 to 6 were also held this summer. It was very well-attended. We wish to thank our nine storytellers who offered a variety of exciting programs for our children.

Association members auctioned their services to the public this Spring and earned \$115.00 for the Library. It is hoped to try this again in 1976.

Two issues of *The Bookworm*, the library Newsletter, were published. The mailing list continues to grow, and donations received help to run the library. The Newsletter is free of charge, but is published in limited quantities. If you desire to be on the mailing list, please notify the Librarian.

The SLA works with the Trustees, who are also members. We welcome new members at any time, so please speak up if you care to join!

RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT 1975

The past year has seen an increase in the services provided by the Rural District Health Council coupled with an increase in the requests for service. As the federal government studies the cost of health care there is increased interest in home care and preventive medicine as methods of reducing costs and improving health services. The Rural District Health Council continues to qualify as a certified home health agency, implementing procedures to continue to provide quality care.

In January 1975, Mrs. Marie Dexter, R.N. joined the staff in a dual role as Referral Coordinator at the Frisbie Memorial Hospital where she is a member of the Utilization Review Committee, and also as staff nurse for the agency providing skilled care for the towns of Barrington and Strafford. The addition of a Health Aide, Mrs. Joan Menez, has enabled the Council to better utilize the professional staff while continuing to provide quality care.

Along with the regular skilled nursing services provided in the home, members of the agency staff conduct adult screening clinics monthly in Northwood and Farmington which was requested by senior citizen groups in those towns. They also participate in the aftercare program in cooperation with the Strafford County Guidance Center and the Seacoast Counseling Center, assist local groups with area screening programs, participate in health planning and, by contract, supervise health aides in the Strafford County Homemaker — Home Health Aide Program. The Maternal and Child Health Program is very active providing regular physical examinations, immunizations and dental care for children 0-6 years enrolled in the Well Child Clinics. The agency staff also does home visiting to the patients participating in the Strafford County Prenatal and Family Planning Program and the Exeter Area Family

Planning Program.

The strength of the Council lies in the efficiency and dedication of its staff. In addition to the two persons mentioned above, members of the professional staff are Mrs. Ardala Houle, R.N. Agency Supervisor; Miss Arlene Thorne, R.N., Maternal and Child Health nurse; Mrs. Barbara Drew, R.N.; Mrs. Myrtie Walsh, R.N.; Mrs. Lucy Myers, R.N.B.S.; Mrs. Bernadette Cameron, R.N.; and Mrs. Kathleen Hansen, RPT. The office duties are ably handled by Mrs. Norma Davis and Mrs. Eleanor Eaton.

The Rural District Health Council has been requesting \$1.00 per capita from member towns since 1969. As a result of the recent inflationary times and increase in services provided, it has been necessary, therefore, to increase the per capita request from each town by 10 cents to enable the Council to continue to provide these services.

During the past year the Council has made 339 home visits and 77 well child visits making a grand total of 416 for the town of Strafford.

Anyone interested in additional information is urged to contact the Rural District Health Council, P.O. Box 563, 6 South Main Street, Farmington, N. H. Telephone - 755-2989 between the hours of 8:00 a.m. and 4:00 p.m. Monday through Friday.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wild-fire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

REPORT OF POLICE DEPARTMENT

The information given is the Sixth Annual Report of the Strafford Police Department. There have been weekly patrols this year. This year, with the help of the State Police and this department, eleven subjects were apprehended. This includes breaking and entering, stolen cars and other stolen items.

Last year the officers and myself attended a part-time school which was held in Portsmouth, put on by Police Standards Council and Training which was eight weeks.

We traveled approximately 11,700 miles and put in approximately 932 hours.

It is also very helpful if the residents would call us when they observe any vehicles or subjects that they see around homes or camps that do not belong in the area. This also helps to keep the crime rate down.

It would help in the near future to have a town cruiser. The officers can be reached at 664-2837 — 664-2225 also through the Strafford Dispatch Center at 742-4968.

On behalf of the men in the department, I would like to thank the inhabitants of the town of Strafford for their support during the past year.

Respectfully submitted,
EDGAR E. BURROWS
Chief of Police

STRAFFORD FIRE DEPARTMENT ANNUAL REPORT 1975

This past year was the busiest one the department has had for a good many years. There was a 60% increase in calls over last year. The breakdown of calls is as follows:

Structure	7
Chimney	7
Forest and Grass	5
Miscellaneous	5
Accidents	3
Mutual Aid	2
Dump	1
False	1
Bomb Scare	<u>1</u>
Total	32

1975 was a good year for the department, since we gained 4 new dedicated members. The men must be commended for their work on the two trucks which we converted and painted this past spring. A total of about 1,000 man hours were put into the project, and there is still more work that needs to be done.

The men have shown that the training they have received at the state instructed fire schools is paying off by the good saves we have had at the last four fires. It will soon be a requirement of the department that all men attend at least one state instructed fire school per year, if they want to remain in the department and be covered by insurance.

As the figures above point out there was quite a strain placed on the equipment this past year. It is, therefore, necessary to be considering the purchase of a new truck and equipment. All the training in the world is no good if the proper equipment is not available to use.

It should be brought to the attention of the townspeople that it is a state law that any oil burner permit be obtained before installing and operating an oil burner.

We hope to join a mutual aid system in the very near future. This will enable us to have a quicker response from area departments and further enable us to communicate with the same radio frequencies, which is very beneficial.

We wish to thank everyone for their support and hope to serve you well in the year to come.

REPORT OF THE SPECIAL STUDY COMMITTEE

Through the survey accomplished by the Study Committee a substantial portion of the residents of Strafford expressed their views concerning what is good about our town, what needs improvement, where tax dollars should first be spent, and how we should respond to future growth. Most residents feel that our growth rate is about right and that a strong preference should be given to single family residential use and agricultural use of land as compared to heavy industrial use. The areas of greatest concern and, consequently, the areas where the residents of Strafford would most like to see their tax dollars spent are, in order of priority: police services, fire protection, town dump, and road improvement. Space prohibits comment on the many other areas which the survey included, but the results may be obtained from the members of the Committee or from the Town Office or Library where it is hoped the results will be available. The Committee believes that this survey should periodically be updated and used for policy decisions by town Officials.

The Committee collected as much population data as was available including updates of some of the figures used to project school population when the recent enlargement was undertaken on the school. An average of all projections indicates that the population of Strafford will double by the year 2,000, the Town's present population being about 1,150. Obviously, this doubling will have a major impact on the Town.

As a means for guiding this growth, the Committee recommends, and survey results strongly favor, affirmative planning such as the adoption and use of a comprehensive Town plan. The State laws which define the duties of the planning board also support this approach to town planning. Such a plan should be based upon a consideration of all of the Town's resources and should include considered judgements by Town officials as to how growth should occur so as to make most effective use of town services. Because

of the complexities involved in the preparation of such a plan, the Committee has recommended to the Planning Board and recommends to the Town that we join the Strafford Regional Planning Commission which has the resources available to assist the Planning Board in such a task. Furthermore, since some members of the Planning Board and Board of Selectmen do not believe that the residents of Strafford favor the development of planning guidelines and the adoption of land use legislation, the results of the survey compel the Committee to urge the Townspeople to make their views known to these Boards.

All of the information which the Committee has collected concerning population growth, solid waste disposal feasibility, and techniques of town planning can be obtained by contacting any member of the Committee.

REPORT OF RECREATION COMMISSION

With considerable volunteer help, the recreation area at Bow Lake Dam was cleared of brush, the grass cut and, in the fall, the top seeded with conservation mix and the slope with crown vetch. The north beach was enlarged by removal of a knoll and sand was added to both beaches. From June 23 through Labor Day, attendants were on duty from 11:00 a.m. to 5:00 p.m. in good weather, and safety equipment provided by the American Red Cross was on hand. There was regular cleaning of the beaches and trash removal and leased chemical toilets were serviced weekly. No fees were charged and no attendance kept, but on the busiest August Saturday over 250 people were at the Dam at one time. During the season there was little vandalism, good compliance with regulations, few accidents and only minor injuries. Those using the area seemed appreciative and cooperative for the most part.

The Town's fifty year lease from Water Resources Board was extended to the entire area at the Dam. The Town's liability insurance now covers this exposure.

The Commission, with the support of the Selectmen, initiated a petition to Governor and Council to provide a public access — meaning a boat launching ramp — to the lake so that the south beach could be used for swimming only, proposed a location on Water Street and outlined a long-range plan for public use of town land there. After a public hearing, we understand, the need for access was accepted but the proposed site rejected and search for a different location begun. Pending the outcome, the Recreation Fund has been placed in a savings account.

Article 14 of the 1975 Town Warrant appropriated \$1,300 for attendants' payroll and toilet rental. We spent \$1,258 for these purposes. In addition the Town has recorded in this account expenditures not originally contemplated as operating charges, so

that the total of \$1,707.90 may appear to exceed the appropriation. This bookkeeping transaction, not of our doing, leaves the Recreation Fund intact and is acceptable to us if it is acceptable to the Town. Our request for operating funds for 1976 is for \$1,600, which is consistent with bookkeeping and allows for some volunteer work not expected to be repeated this year.

Respectfully submitted,

DOROTHY L. SMITH

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Strafford School District:

When school session started in September of 1975, the Strafford Elementary School was organized as indicated in the chart below.

<u>Employee</u>	<u>Assignment</u>
Mrs. Sally Low	Grade 1 and Readiness
Mrs. Katrina Rhodes	Grade 2
Miss Maryellen Childs	Grade 3
Miss Nancy Higgins	Grade 4
Mrs. Cecelia Ciccolella	Grade 5 - Mathematics
Mrs. Patricia Sukduang	Grade 6 - Science
Mr. Richard Boyle, Principal	Grade 7 - Social Studies
Mrs. Mary Higgins	Grade 8 - English
Mrs. Darla Higgins	Social Studies - part time
Mrs. Lois Fistere	School Nurse
Mrs. Eleanor Byrne	Art - part-time
Mrs. Barbara Newsky	Readiness Aide
Mrs. Virginia Garlow	Music - part-time
Mrs. Dorothy Smith	Lunch Program Manager
Mrs. Irma Messenger	Lunch Worker
Mr. Robert Heffernan	Custodian
Miss Charlene Davis	Learning Disabilities*
Miss Margaret Reed	Speech & Language Development*

*These positions are funded by the Title I / Special Education Co-operative Project operated by the Boards of Nottingham, Strafford, Barrington and Northwood. Mr. Boyle is the project manager.

The enrollment by grade as reported at the beginning of the year was as follows:

<u>Grade</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>Total</u>
Number	26	29	24	26	21	25	26	30	207

This is an increase of 5.6% of the previous year's enrollment of 196 at the start of school. The enrollment in grades 1 and 2 exceed the minimum standard of 25-1 as the pupil-teacher ratio. The wisdom of providing the additional classroom space during the past year is manifested by the continuing growth in enrollment.

Strafford School District residents attending other schools at District expense were reported as indicated in the chart printed below.

Since the last report was prepared, the New Hampshire Legislature has met and passed many laws. It is believed that it would be helpful to the citizens to know of these actions. A number of these statutes which appear to be of interest and importance are presented in brief form as a part of this report.

Duty to Provide Education. It is the duty of the school board to provide at district expense, an elementary and secondary school education to all pupils residing in the district who have not reached the age of twenty-one.

Posting Warrant. In counting the days between the posting of a meeting warning and the meeting, Saturdays, Sundays, and legal holidays are included in the count of 14 days between the posting and the meeting. This clarifies possible misinterpretation.

Officers to be Chosen. This statute was changed to allow the election of one or more auditors, and if more than one is chosen, the terms may be staggered. Previously, the auditors could only be elected for a one year term.

Lord's Prayer and Pledge of Allegiance in Public Elementary Schools. This is new and permits the recitation of the traditional Lord's Prayer and the Pledge of Allegiance in public elementary schools. Pupil participation shall be voluntary. It requires a district vote to implement.

School Holidays. This is new. Schools shall not be open for regular instructional purposes on Veterans' Day, November 11, and Memorial Day, May 30. Opening school would be a violation of the law.

Eligibility. No person employed on a salaried basis by a Supervisory Union, or any District within the Union may at the same time serve as a school board member in any district of the Supervisory Union. Examples of salaried position include teachers, custodians, administrators, secretaries, bus drivers paid by the district, school lunch workers, and teacher's aides.

Instruction in National and State History and Government. Beginning not later than Grade VIII, all schools must provide a regular course of instruction in history, government, and constitutions of the United States and the State of New Hampshire.

Filing for Office. This is a change. Persons filing for district office must file not earlier than 45 days before the election and not later than 5:00 p.m. of the third Monday before the election. The filing period begins ten days sooner, but closes one week earlier. If the district has adopted the absentee ballot, the filing period closes the fifth Monday before the election, which is an additional two weeks earlier.

Public Employee Labor Relations. Perhaps the most important action, in the opinion of the writer, to be taken by the Legislature was the passage of this act. It requires school boards which employ ten or more workers with a common interest, such as teachers, to meet with the employee group and negotiate the terms and conditions of work with the employee group. This at present is limited to economic matters, but there is nothing to prevent a different interpretation, or to amend the law. School Boards cannot negotiate away any powers granted to them by state law or by state board policy. There will be more problems connected with this act than any other recently passed in New Hampshire. The School Board will require all of the support that an informed electorate can give it in these matters.

In closing, the undersigned would like to thank the pupils, staffs, School Boards, and citizens for the support and cooperation which have been extended to them.

Respectfully submitted,
CHARLES H. MORGAN

The fall prophylaxis clinic, with Mrs. Anne Huckins as hygienist, and sponsored by the S.A.Y., had 146 participate, when teeth were cleaned and fluoride applied. The S.A.Y., Strafford Womens Club provided funds for follow up dental care, matched by Dr. Peter Low, who provided the care.

Our fourth grade class took part in a Dental Disease Prevention Program sponsored by the Bureau of Dental Public Health, who provided the materials. Nancy Gardner, the state hygienist, made the initial oral examination and another at the end of the program. Students were instructed on brushing and flossing and did so daily. Red disclosure tablets were used once a week and checked by the school nurse. My special thanks to Nancy Higgins for her cooperation in making this a successful program.

The health education program continues to include information on nutrition, hygiene, life education and communicable diseases, using films, handout materials, and speakers whenever possible.

Mr. Francis Cartier, District Chief of the State Liquor Commission presented a film, *What time is it*, to the 7th and 8th grades, explaining the liquor laws of N. H. and how they affect the teenager, followed by a question and answer period. Mr. Cartier returned to show the film, *Let's Study Alcohol*, to the science classes.

The eighth grade girls met with Mrs. Eleanor DuBois, from the N. H. Child and Family Service, who presented the film, *I'm 17 and pregnant and don't know what to do*.

My special appreciation to parents, teaching and learning disability staff and school board, who, through their interest and understanding, look at the physical, mental and social needs of the individual student, so that they might derive the most from their learning experiences.

Respectfully submitted,
LOIS FISTERE, R.N.
(Mrs. C. G. Fistere)

**PROPOSED CALENDAR
SUPERVISORY UNION No. 44
1976-1977 SCHOOL YEAR**

First Term	Sept. 8, 1976 to Dec. 23, 1976	72 Days
Second Term	Jan. 3, 1977 to Feb. 18, 1977	35 Days
Third Term	Feb. 28, 1977 to April 22, 1977	40 Days
Fourth Term	May 2, 1977 to June 23, 1977	<u>38 Days</u>
		185 Days

Days Out

October 11	Columbus Day
October 22	Teachers' Convention
November 11	Veterans' Day
November 25 - 26	Thanksgiving Recess
December 24 - 31	Christmas Vacation
February 21 - 25	Winter Vacation
April 25 - 29	Spring Vacation
May 30	Memorial Day

Washington's Birthday Anniversary falls on February 21, which is during the Winter Vacation, and Fast Day falls on April 25, which is during the Spring Vacation.

The above calendar provides for 185 days of school. The equivalent of 180 days must be devoted to classroom instruction as a minimum. This calendar allows for either 5 full days for staff development, curriculum review, staff planning and the like, or for 10 half days. Days missed due to storms, etc., would need to be recovered either during vacation periods, or by extending the number of sessions. If the staff development program is to be effective, it would need to be operated as a part of the contracted school year.

This calendar is subject to revision by the School Board.
